Dear Roger,

It was very good to see you last month at the AMI meeting. As I promised then, I am sending along some open material on CIA that may interest you or your students. We just produced the booklet on DCIs and DDCIs--complete with color portraits--a few months ago.

David Schoenbaum wrote me not long ago that he will be here in Washington at the Woodrow Wilson Center for the year, beginning in September. When next you find your way here we'll all have to get together for a meal or a drink.

With all good wishes,

Sincerely,

J. Kenneth McDonald
Chief Historian
